Leader Lowdown Email Newsletter Advertising Mechanical Specifications

Medium Rectangle 300 x 250

Maximum File Size: 40K

File Types Accepted

.gif, .jpg

* For best functionality across all email providers, we recommend submitting static (or non-animated) banner ads with one frame only.

Ad Details

Please submit the following with your creative:

- Destination URL (the website or web page your ad should link to)
- Please submit up to 6 words of Alternate Text with your ad (even if it's just your company name). If an email user has images turned off, the Alternate Text should appear in its place.

Notes

- No audio accepted.
- We do not accept floating ads, expandable banners, pop ups, pop unders, or roadblocks.
- Banners (728x90, 320x50, 300x250) may not have additional creative that extends beyond the designated banner area.
- Creative is due 2 weeks before campaign launch date.

Delivery

Please email banner ad creative files directly to webadops@ptotoday.com.
